

General Instructions to Register for Clear Water Alabama 2023 **(September 20-21, 2023, Marriot Shoals, Florence, AL)**

All the meeting information is on our website at <https://alabamasoilandwater.gov/alesc/>

After reading the information below, click on the link above.

To register as an individual, go to “Events and Training”, “Clear Water Alabama”, “2023”, and Register for The Event”.

This will take you to The Alabama Chapter Soil and Water Conservation Society page.

Select “CLEAR WATER ALABAMA 2023”.

Notice the Early Bird cutoff is August 25th.

Select “Register Now”

If you are a SWCS Member, enter your email and password to login; otherwise, CONTINUE AS A GUEST.

Complete the Contact Information page and select “Continue”.

In the “Available TICKETS” section there are all the options to register for the event. To attend the entire ASA Symposium, Clear Water Seminar and Field Day for one person, select the “Add” button just below the Seminar and Field Day (\$225/each, \$50 Early Bird discount). Note: multiple individuals can be registered by changing the number at the “ADD” buttons.

There are also Ticket options for one day only, QCI training (homebuilders), and a rate for someone who is a first time Clear Water Alabama Attendee (honor system).

“Available PRODUCTS” are for Sponsorship opportunities. Switchgrass and Bermudagrass Sponsors will get 2 full registrations. The Fescue Sponsors will get 1 full registration. **So, there is no need to register as a general attendee if you are one of these sponsors unless you want to register additional people.**

The payment process should be straight forward.

If you have any questions, contact Perry Oakes at 334-703-6365.

Note: Groups like ALDOT, ADEM, NRCS, and other such groups are often registered, and payment made by one person in their organization. Those attendees generally send their name to the person in the organization that does this group registration.
