

# EMERGING LEADERS IN CONSERVATION (ELC) PROGRAM

## Empowering the Next Generation of Soil and Water Conservation Leaders

The Alabama Soil and Water Conservation Committee is excited to announce the Emerging Leaders in Conservation (ELC) program! This initiative empowers the next generation of conservation champions with the skills, knowledge, and networks needed to build a sustainable and resilient future for Alabama.

### Who's Eligible?

- Alabama Soil & Water Conservation District Supervisors
- Alabama Soil & Water Conservation District Advisors
- Alabama Soil & Water Conservation District Administrative Coordinators
- NRCS- Alabama Professionals

*If you have fewer than 10 years of service in these roles, you're encouraged to apply! Selected participants will receive hands-on leadership training and the chance to make a lasting impact in conservation across Alabama.*

### What's the Time Commitment?

Each cohort will meet quarterly over the span of two years to deep dive into the following topics:

- Personal and Professional Leadership
- Organization Structure
- Business Etiquette
- Funding Structures
- Conservation Partnerships
- Media Training
- State and Federal Policy
- NACD Washington D.C. Fly-In
