The Clear Water Alabama™ Seminar & Field Day is presented by the Alabama Erosion and Sediment Control Partnership in collaboration with the Alabama Stormwater Association. This event provides planners, designers, contractors, inspectors, and other professionals with valuable insights into erosion and sediment control practices, innovative products, and effective stormwater management strategies.

WHO SHOULD ATTEND:

- Construction professionals and contractors involved in BMP installation
- Professional engineers and road builders
- Firms that develop erosion control and stormwater management plans
- County and city engineers, planners, and staff
- Representatives from Home Builders Associations and Associated General Contractors
- Alabama Department of Transportation personnel
- Inspectors from the Alabama Department of Environmental Management
- Soil and Water Conservation District board members and field employees
- Municipal officials
- Certified Professionals in Erosion and Sediment Control (CPESC), landscape architects, registered soil scientists, and other Qualified Credentialed Professionals
- Natural Resources Conservation Service staff

ALESC PARTNERSHIP MEMBERS

- AL Soil and Water Conservation Committee
- AL Associated General Contractors
- AL Association of Conservation Districts (AACD)
- AL Department of Environmental Management
- AL Department of Transportation
- AL Cooperative Extension System
- Auburn University
- Auburn University Stormwater Research Facility
- Home Builders Association of AL
- Natural Resources Conservation Service
- AL Chapter Soil and Water Conservation Society
- AL Section of American Society of Civil Engineers (ASCE)

INDUSTRY SPONSORS (TENTATIVE)

- AACD
- Associated General Contractors of AL
- AL811
- American Excelsior Company
- Alabama Power Company
- Applied Polymer Systems, Inc.
- Auburn University Stormwater Research Fac.
- Calhoun County SWCD
- Coosa Valley RC&D
- Erosion Pros, LLC
- Flexamat
- FODS
- Hanes Geo Components
- J.W. Faircloth & Son, Inc.
- Jefferson County SWCD
- Profile Products
- Rymar Waterworks Innovations
- Silt-Saver, Inc.
- SpreadRite
- St. Clair County SWCD
- St. Clair County EMA
- Sunshine Supplies TTL, Inc.
- Western Green

REGISTRATION INFORMATION

Register online at Alabama Stormwater Assoc.
www.alabamastormwater.org/clear-water-alabama

Deadline: 9/18/25

Early Bird Registration Deadline: 8/15/25

Meeting Registration Fees

- Seminar & Field Day: \$275.00 | Early Bird: \$225.00
