

How to Register for Clear Water Alabama (CWA) or become a Sponsor

- Registration for Clear Water Alabama 2025 at Pell City is being handled by the Alabama Stormwater Association (ASA) through its new website - alabamastormwater.org.
- The [Alabama Erosion and Sediment Control website](#) also has links to take you to the ASA Website for registration. Use Events and Training, Clear Water Alabama, and 2025 to find all the information on the event.
- On the ASA website, a general [Clear Water Alabama page](#) is located under the Events tab at the top of the page.
- For the 2025 event specifically, use one of the following -
 - use the links on the general Clear Water Alabama page to get to the [2025 event page](#), or
 - go through the [ASA calendar](#), or
 - use the Upcoming Events link on the vertical menu on the right side of the website.
- To register as an attendee for the event, use any of the links and buttons available on the pages listed above.
 - one must create an account with a password to register.
 - You may already have an account with ASA. You may need to reset your password and try again.
 - ASA members receive a 10% discount on individual registrations.
 - You may become a member, then register, or become a member as you register.
 - You do not have to become a member to register (select “No Thank You” when asked).
 - To register multiple attendees, click Register Guest after the first registrant. Add as many as are needed.
 - Registrants may Pay Now with a credit card, or have an invoice sent by email. Registration is not complete until the invoice is paid.
 - Students receive a discounted registration.
 - First time attendees receive a discounted rate, but must first contact Alex James, lalex929@icloud.com , for a discount code.
- Sponsors may sign up during registration. If you are not sponsoring the event, you may simply click “Next” to finish registration.
 - Tiered sponsorships come with complimentary registration. Limestone and Sandstone Sponsors provide this information during registration.
 - Granite sponsors receive a second complimentary registration, and will need to send contact information (name and email) of the additional registrant to Alex James, lalex929@icloud.com
